Macomb County Planning Department to study gaps in Macomb's trail system

MOUNT CLEMENS, Mich. – The Macomb County Department of Planning & Economic Development is seeking public assistance in locating and analyzing gaps in Macomb's trail system that connect the Stony Creek and Metropolitan Beach metroparks.

The department will host two workshops that will identify locations of gaps, examine ways to close those gaps and assess the costs of closing the gaps.

The first workshop will focus on the Harrison Township, Clinton Township and Sterling Heights segments of the trail and will be from 5-7 p.m. Tuesday, March 6, at the Clinton Township Civic Center, 40700 Romeo Plank Road.

The second workshop will focus on the Shelby Township, Utica and Sterling Heights segments of the trail and will be from 4-6 p.m. Tuesday, March 13, at the Utica City Council Meeting Room, 7550 Auburn Road.

For more information, please call Gerard Santoro at 586-469-5285.
